

STANTECH MOTORS LIMITED

QUALITY POLICY STATEMENT

Stantech Motors Limited (STM) is committed to meeting and exceeding our customer needs and expectations through provision of high quality automotive solutions. In order to meet this mandate the company shall:-

- ❖ Establish, implement, maintain and continually improve a quality management system based on ISO 9001:2015 requirements.
- ❖ Provide resources needed to enhance product and service delivery.
- ❖ Satisfy all Customer requirements and applicable statutory and regulatory requirements
- ❖ Recruit, retain and continually improve the competencies of staff through training and providing a conducive work environment.
- ❖ Communicate this policy and associated quality management system documentation to all employees and stakeholders, and review this policy periodically to provide frame work of setting and evaluating quality objectives.

Rosemary Mwambura

The General Manager
