ABOUT US

Stantech Motors is a wholly owned local company offering a wide range of services in the Auto industry. The company which has been in operation for the last 29 years is a leader in Motor vehicle repairs & servicing for corporate bodies, Public Institutions, County governments, Non-Governmental Organizations, Embassies, insurance companies and individuals.

Stantech is also the official Service provider of world renowned brands namely: **JMC single and double cabin pickups, Chery Tiggo, Golden dragon van, ambulances and Luxury buses, Grand tiger single and double cabin pickups, Sinotruk Tippers and Prime Movers and Forland Trucks**

Being ISO 9001:2015 Certified, we remain committed to quality and exceptional customer service.

VISION STATEMENT

To be the market leader in the sale of automobiles, service and repairs in the Eastern Africa region and beyond.

MISSION STATEMENT

To be the leader in sale of new, affordable and quality motor vehicles, repairs and service in the Eastern African region and beyond while offering excellent customer service and maximizing ROI for the benefit of all stakeholders.

CORE VALUES

- Customer satisfaction
- Quality service
- Commitment to professionalism
- Integrity – fairness & honesty
- Development of human resource
- Untiring effort for improvement
- Courtesy and humility
- Co-operation and team spirit
- Ownership
- Entrepreneurship
- Strengthening customer trust and loyalty

FLEET MAINTENANCE

1. Fleet Maintenance

Fleet maintenance has grown to be our core competency. We consult with our potential clients to assess their needs and goals and use our experience, expertise and resources to customize a fleet maintenance management solution. We then implement a fleet maintenance solution employing proven best-practices and excellent programs which are designed to meet and exceed our customers' expectations.

A partial range of our customized fleet maintenance solutions include;

- Preventive Maintenance
- Comprehensive repairs
- Fixed costs Maintenance
- Parts management
- Accident or Collision Repairs
- Body Repairs and Spray painting
- Preparation for Government Inspection
- Mobile Repair Units
- Road Rescue Services
- Vehicle Preparation for disposal.

Services

For over 8 years, Stantech Motors Ltd has provided industry-leading, customized outsourced fleet maintenance and workshop management services to **Emergency Plus**, a leading Emergency Rescue Services provider countrywide. Our involvement with **Emergency Plus** has seen the company reduce fleet running costs; create efficiencies, increase reliability and improve overall results delivery.

SERVICES

2. Service

The Service Division offers the following services;

- Minor, Medium and Major Services
- Major engine/differential and gearbox overhauls
- Computerized wheel balancing and wheel alignment
- Installation of car alarms and speed governors, car identity among others.

The workshop has a space capacity to repair 250 units of motor vehicles in a month. You do not require any prior booking to service your vehicle.

The service workshop has modern equipment such as computerized diagnostic machines, pneumatic lifts, two and four post electro mechanical lifts, automatic tyre changer, trolley and heavy-duty hydraulic jacks. Modern paint booths, Compressors computerized paint banks and beam setters are also some of our state of the art workshop equipments

3. Body Shop

The accident division has a space capacity to repair over 250 motor vehicle units per month. In addition, our quality, customer focus, and our turn-around period on major accident repair is two to three weeks, a fact which has made most insurance companies, NGOs' and government institutions choose as their preferred motor workshop. Our qualified and experienced technicians are also capable of carrying out successful vehicle restoration repairs.

Fleet maintenance Benefits that you derive from procuring our services:

- Swiftness and Expertise
- Reduced Operational and Recruitment costs
- Better cash flow planning
- Increased productivity and efficiency
- Savings on capital expenditures
- Focus on core activities
- Risk management
- Staff management

KEY MILESTONES

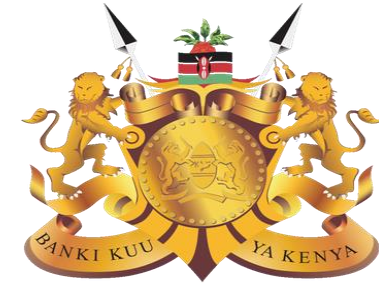

Our competitive advantage

1. Being in operation for 29 years, we have garnered the requisite experience to deliver unmatched quality services to our customers. We are happy to note that we are ISO 9001: 2015 compliant.
2. Our modern tooling and equipment coupled with our qualified technical staff, enables us to deliver our services at the most optimum turnaround time.
3. We have a fully established Parts Centre and a subsidiary, 4M Insurance Brokerage Firm which supports the business in managing various insurance products and claims.
4. We are one stop shop. We do the normal repair and maintenance of motor vehicles and we do both accident and body work repairs.
5. We have a Mobile Clinic Section which serves all our customers countrywide.
